PROFESSIONAL SUMMARY

• A motivated and goal-oriented undergraduate with strong communication, problem-solving, and leadership skills. A keen observer and positive thinker with a passion for exploring innovative solutions in Computer Science Engineering. Skilled in developing efficient and high-quality projects while continuously striving for personal and professional growth.

TECHNICAL COMPETENCIES

OS: Windows

Languages: Core Java | Advance Java | HTML | CSS | JavaScript

Databases: MySQL

Framework : Spring Boot | Spring | Spring Core | Spring Security | Spring JPA

Other Interests: Software Engineering,
Operating System

INTERPERSONAL SKILLS

Team Leadership | Management & Coordination
| Decision Making & Analytical Skills | Writing Skills

INTERESTS & HOBBIES

Listening Audiobook | Gaming | Fitness |
Nutrition | Self-improvement

LANGUAGES KNOWN

English | Hindi

PERSONAL DETAILS

Mother's Name: Sunita Rani

Father's Name: Jagdish Kumar

D.O.B : 19 September 2003

EDUCATION

Bachelor of Technology in Computer Science Engineering |
Chandigarh Group of Colleges, Landan
Session: 2022-2026 | Score: 8.17 CGPA

Intermediate (CBSE) | St. Sofia Senior Secondary School, Hisar
Session: 2021-2022 | Percentage: 87.2%

Matriculation (HBSE) | Bharat High School, Hisar
Session: 2019-2020 | Percentage: 88.0%

TRAINING & PROJECTS

Multithreaded Web Server

Duration: 1 Month

Skills: Java, Multithreading, ExecutorService, Socket
Programming, Computer Networking

Team Size: Individual

- Designed a multithreaded web server using ExecutorService to handle concurrent client requests efficiently.
- Ensured thread safety and avoided race conditions using synchronized methods and proper locking mechanisms.
- Achieved parallel processing and scalability by dynamically managing thread pools to handle high traffic on a multiprocessor system.

Master Quiz

Duration: 1 Month

Skills: HTML, CSS, JavaScript, Spring, Spring Boot, MySQL

Team Size: Individual

- Developed a full-stack Quiz App with user authentication, quiz creation, and result tracking.
- Built a responsive frontend using HTML, CSS, and JavaScript.
- Implemented RESTful APIs with Spring Boot and MySQL for secure data storage.

ACHIEVEMENTS

- Secured 2nd position in Smart India Hackathon 2024
- Secured 3rd position in Smart India Hackathon 2023

CERTIFICATIONS

- JAVA Core, JAVA Advance, Spring, Spring Boot from CODE FOR SUCCESS
- Database Management System, OOPs, Operating System, Computer Network from AlgoPrep

EXTRA CURRICULAR & CO-CURRICULAR ACHIEVEMENTS

- Secured First Position in a Video Editing Event at Parivartan 2k23.
- Secured Third Position in Video Editing Event at ZEAL 2K24
- Organized and managed Technical events "AVEG 2k24", "AVEG 2k23", "ENVISION2K24", "ENVISION2K23"
